

‘Be still and know that I am God’

Our service will proceed without announcement or words. Please follow the lead of the programme team as we come to the different parts of the service.

Preparation

As you entered you were given a stone. Allow the stone to become warm in your hands, feel the smoothness of the stone and thank God for his gentleness, and let it remind us of God’s love for us.

Confession

We place our stones at the foot of the cross, unburdening ourselves before a forgiving Father.

Silence

Scripture

We meditate on the word we have been given.

Fellowship

We exchange a sign of peace in silence through looking at one another.

Intercession

We pray and light a candle as a symbol of our prayers.

Silence

Blessing

You are invited to use the water to sign yourself with the cross of Christ, reminding us of our baptism and our new identity of being a child of the King.
