OVERALL COURSE FEEDBACK FORM

GROWING LEADERS

Feedback

We're planning to run Growing Leaders over a number of years. Please help us to improve it for the next group by evaluating your experience of the course. It will make a difference to those who follow on after you.

We'd be grateful if you would give feedback in the following way:

- **Be positive and critical** We need to know what worked well and what needs changing.
- **Be honest** This is the only way we will learn from your feedback.
- **Be specific** Please give concrete examples.
- **Be clear** It really does help if we can read your writing!

Please also answer the questions below to help us weigh the feedback:

Your age: _____

Male or female: _____

Leadership role(s) in any sphere:

_____

_____

_____

Thank you for your help.

Overall course feedback
Please rate the course on the following scale where 0=very poor and 5=very good, and add your comments below each question.

0   1   2   3   4   5

Structure of the Course

How do you feel about the length of the course including the length of the sessions?

In what way was it helpful to have the month in-between sessions for reflection and change?

How did you find the days/24 hours away?

Did you have a mentor? If yes, in what ways was this a helpful part of the course for you?

Content of the Course

What do you think about the topics covered? Any suggestions for changes?

OVERALL COURSE FEEDBACK FORM

Content Feedback

1. What was the single most helpful thing about the course?

2. What is the one thing you would change?

3. As the course has developed can you identify any ways in which you feel you have grown as a leader?

4. Any further comments on the content, structure or delivery of the material?

5. In what ways did the course meet your expectations?

6. Were there any ways in which it didn't meet your expectations?

7. Any other comments (please use additional paper if required).

Thank you for completing this feedback form. Please hand it in to your course leader as soon as possible.
