

QUESTIONNAIRE

Introduction

The purpose of this exercise is to gain an objective view of your understanding of God's direction for your area of leadership responsibility.

In this exercise one participant asks another the following questions for ten minutes. Then the roles swap over.

- Those asking the questions should help the process by asking supplementary questions.
- Those answering the questions should try to answer the questions as fully and honestly as possible. There is no need to be defensive.

Please ensure the person asking acts as a scribe and writes brief notes on the answers. You don't have to get through all the questions.
