

COMMUNICATION

GROWING LEADERS

Communication Problems

Three problems commonly occur when communicating vision (an ongoing process).

- Neglect problem-casting.
- Neglect 2/3 of the picture.
- Neglect next steps (see back of this sheet).

Communication Process

For Journaling/Mentor

- When have you experienced particularly good communication? What made it so good?
- What are the communication issues you most need to address? How might you address them?

COMMUNICATION
