

HOW'S THE JOURNEY

GROWING LEADERS

Look Out

Use these symbols to try and describe how you feel about:

- Your relationship with God.
- Your current 'occupation'.
- Your church ministry.

Write 'God', 'occupation' or 'ministry' under the sign that best describes how that thing feels to you at the moment.

Does it tell you anything about the state of your response to God's call?

For Journaling/Mentor

- Which aspects of life feel dynamic and fill you with hope?
- Are there any aspects of life which cause lethargy and leave you yearning for new enthusiasm?
- Where does God seem particularly close, or absent?
