

CREATE A LIMERICK

There once was a programme called Arrow...

GROWTH POINTS

As you reflect on your Arrow experience, in what ways is growth taking place in your life? What holds growth back? How could you support one another further to keep on growing?

THE ARROW EXPERIENCE TELL THE STORY

Here is an opportunity to reflect on your Arrow experience. Identify chapter headings to summarise the story of your life for the two years preceding Arrow, two chapter headings for your Arrow experience so far, and two chapter headings for what you'd like to see happen over the coming year.
